

BREAKING THE FLEA LIFE CYCLE

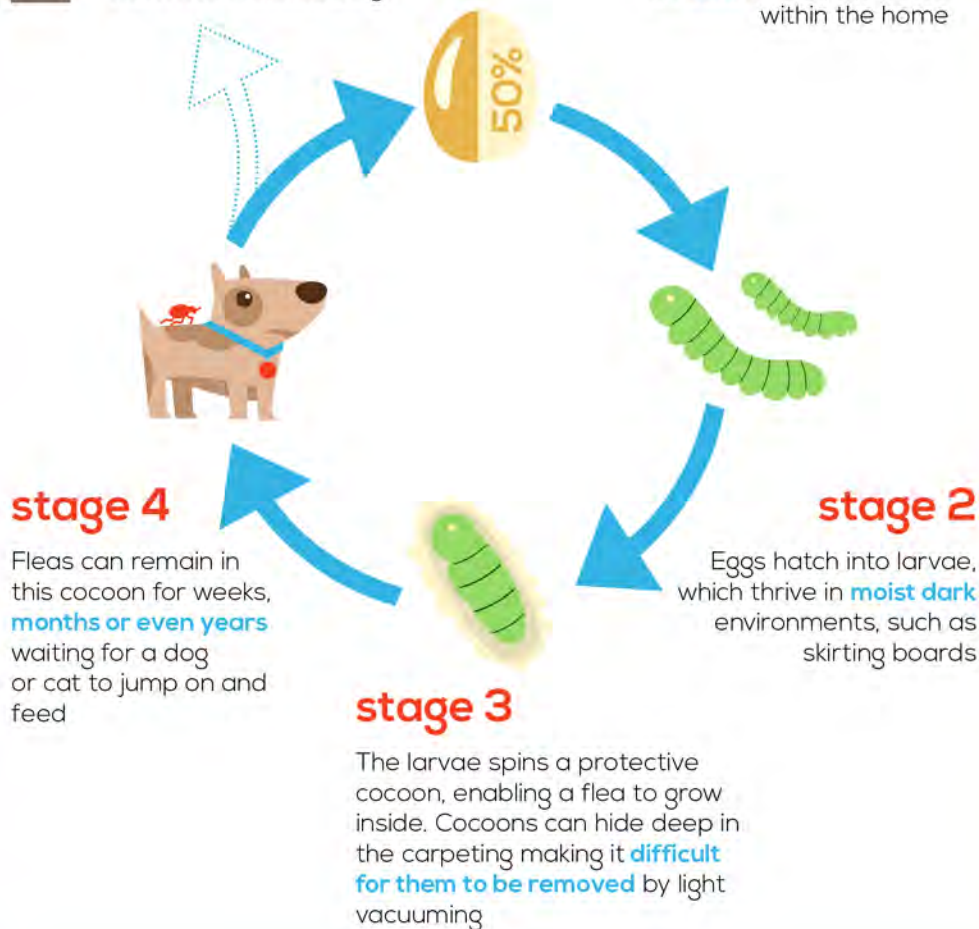

stage 5

Home flea treatments **eliminate eggs, larvae and adult fleas**, preventing them from reproducing

stage 1

Flea eggs transfer from your pet onto the carpet and furniture. Eggs make up **50%** of the population within the home

TOP TIPS FOR A FLEA FREE HOME

- ✓ Use complementary products to eliminate fleas quickly. Try Bob Martin Clear Flea Spot ons, tablets and shampoo.
- ✓ Vacuum carpets and soft furnishings before and after applying a home treatment.
- ✓ Protect your home: Try Bob Martin Clear Home Flea Spray, Flea Fogger and Home Flea Bomb.
- ✓ Wash pet bedding, plush toys and rugs regularly to eliminate flea eggs.
- ✓ Treat for fleas all year round and remember to treat under furniture.
